

Solaris Megastar 20K

Rechargeable Floodlights For The Emergency Services

The new improved 20,000 Solaris Megastar and Maxi floodlights are quick and easy to setup and can illuminate the crime scene for up to 28 hours. These robust weatherproof lights are used by the police, fire and rescue teams and utility groups and are ideal for illuminating an area up to 50 metres.

KEY FEATURES:

- 20,000 lumens
- 50 metre beam
- Rechargeable battery pack which runs up to 28 hours means no expensive, noisy generator required
- No planning permission required
- Quick and easy to assemble
- Virtually unbreakable polyethylene casing with polycarbonate lens
- Glare free operation
- Battery status indicator
- Robust weatherproof construction
- Easy to transport and store
- Lightweight aluminium tripod which extends to 3.5 metres

2 Battery sizes available:

24Ah SLA Battery
